Transportation

Deer Creek Transportation is dedicated to your student's safety. If your child needs transportation, please select during your online enrollment. Please carefully review the bus rules with your student.

Your student's bus stop location and time will be available through the parent portal once it has been assigned. This can take up to 5 days to get in the system so please plan accordingly.

FAQ's are available on the district website. You may also email transportation@dcsok.org with any questions.
